

REMARKS

Claims 231-244 correspond to claims 1-14 of United States Patent 6,264,140, McGeer et al, issued July 24, 2001. A copy of this patent has previously been submitted. Claims 233 and 240 are not identical with the corresponding claims of United States Patent 6,264,140, McGeer et al, in that they do not include "or pole."

Respectfully submitted,

J. Philip Polster

Registration No. 24,739
